Our Story

We help you live UNLIMITED!

Ability Unlimited (AU) was founded in 2017 upon the merger of the EDCD waiver and Tech waiver, now known as the CCC Plus waiver. Previously, Assistive Technology (AT) and Environmental Modifications (EM) were only available to individuals who were eligible for the Tech waiver. The Department of Medical Assistance Services (DMAS) and its stakeholders recognized an opportunity to better assist an underserved population, and added AT and EM benefits to the CCC Plus waiver. With the merger, 30,000 people in Virginia were able to access AT and EM benefits.
