## Services Overview

Ability Unlimited is an assistive technology (AT), environmental modification (EM) and durable medical equipment (DME) provider for people on Medicaid in the state of Virginia. Working with you, your care coordinator, support coordinator, physicians and therapists, we help you gain access to devices to meet your needs.

## What are my options for Medicaid funding?

There are 3 ways you can qualify for funding through Medicaid in which Ability Unlimited can help. See the criteria you must meet for all funding types below.

**Device funding is ultimately determined by an authorized agency designated by DMAS; this can be KePro, DBHDS or an MCO's. If you meet the below criteria, a request can be processed, but the authorizing agency will ultimately determine if the device is medically necessary.**

1

## **CCC Plus Waiver (Medicaid)**

- 1. Are on the CCC Plus waiver. (formerly EDCD/Tech Waiver)
- 2. All ages.
- 3. Must have medical need for the device.
- 4. Must have an ongoing waiver service (Personal Care, Nursing).

3

## **DD Comprehensive Waivers (Medicaid)**

- 1. Must be on one of the 3 DD comprehensive waivers (CL/FIS/BI).

- 2. Those under 21 will utilize AT under the EPSDT program.
- 3. Those over 21 will utilize their DD waiver services.
- 4. Must have medical need for the device.

☐ Ability Unlimited works with your assigned support coordinator to complete your request.

## What if I do not have Medicaid or Insurance Coverage?

Ability Unlimited now takes private pay for Assistive Technology, Environmental Modifications, and Durable Medical Equipment. If you do not have Medicaid or have had trouble getting Medicaid funding, but still want to purchase a device or have EM work done, AU accepts private pay through PayPal.

[If you qualify under one of these options, click here for the next steps. For private pay, complete steps 1 and 2.](#)

## Testimonials

“

I cannot thank you all enough. It is so great to be able to feed our guy the same food we eat and to help him feel included in our meal times.

My son and I are currently learning and working with our new device and I hope it will help tremendously in furthering his ability to speak.

I just wanted to thank you again for your promptness and assistance with supporting this family. You've been great!
